

NEW STUDY BEGINS

TUESDAY, APRIL 9!

7:00-9:00PM

The keys to staying full of God are simple--that's why so many people fail to recognize them! Through this amazingly practical study you will learn the essentials to a strong, close fellowship with God. You'll not only learn what these keys are, but how to put them into practice. The result? Your fellowship with God will grow like never before and you will stay FULL of Him! A study guide is provided with each lesson. There is no charge for materials. Everyone is welcome!
